

WORKPLACE VIOLENCE PREVENTION TRAINING & CONSULTING

CPPS has developed a unique five-tiered approach designed to support your organization's development of a comprehensive Workplace Violence Prevention (WVP) program. Through best-in-class training and consulting, CPPS will help your organization become consistent with prevailing National Standards and Best Practices. Empowering your people to be stakeholders in their own safety and security, CPPS will partner with you one step at a time, every step of the way!
